### Description

'French Grammar and Usage' has rapidly established itself as the most up-to-date grammar on the market. It provides English speaking students and teachers with a comprehensive and accessible guide to French grammar. Praised for its clear lay-out and lucid explanations, this essential learning tool has now been revised in response to extensive feedback from teachers using the first edition. The improvements of the second edition include a through reworking of the index and cross-referencing, minor structural reorganisation of material, and updated examples.
